

# EPMA World Congress

September 3rd - 5th 2015, Bonn, Germany

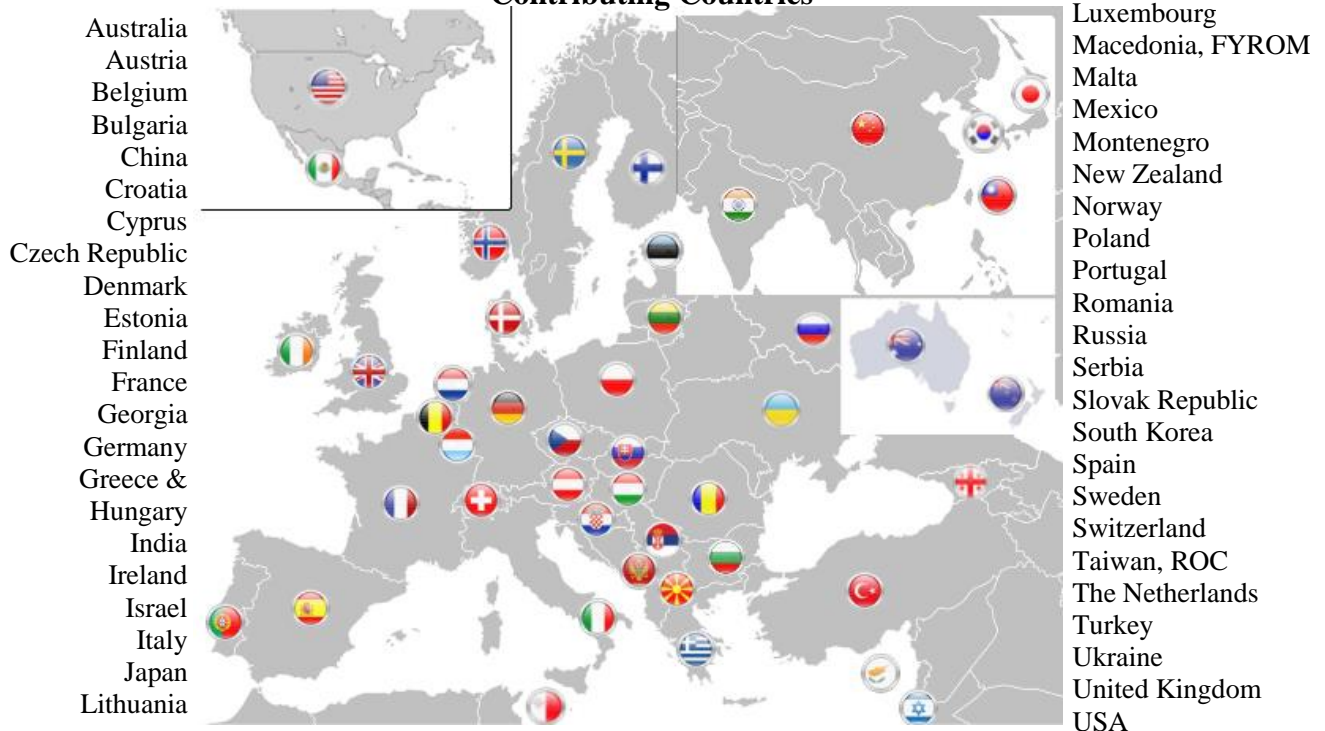

**Deadline for abstract submission: 31<sup>st</sup> May 2015**

[Congress registration form](#)

[Instructions for Authors](#)

The paradigm change from delayed interventional to Predictive, Preventive and Personalised Medicine (PPPM) is a global challenge of the 21st century in medicine. This is a new philosophy of advanced healthcare and the platform for more effective treatments tailored to the person that is considered as the "medicine of the future". EPMA World Congress is dedicated to all aspects of PPPM.

## Contributing Countries

## Preliminary Programme - Specialised Sessions

### EPMA Bourse for PPPM Proposals in "Horizon 2020" and other Programmes: Professional Consultations and set-up of Partners

Chairmen: O. Golubnitschaja, Germany / F. Heemskerck, Belgium / V. Costigliola, Belgium

### Cardiovascular Diseases

Chairmen: H.-P. Brunner, The Netherlands / Th. Helms, Germany / H. Iso, Japan

### Cancer

Chairmen: D. Desiderio, USA / B.C. Yoo, South Korea

### Neurological Diseases

Chairmen: F. Paul, Germany / I. Gozes / S. Mandel, Israel

### Diabetes

Chairmen: M.S. Mozaffari, USA / B. Baban, USA

### **Rare diseases**

Chairmen: M. Özgüç, Turkey

### **Pain Management**

Chairmen: R. Bubnov, Ukraine

### **Transplantation**

Chairmen: H. Everaus, Estonia

### **Dentistry**

Chairmen: M.S. Mozaffari, USA / C. Cafiero, Italy / M. Saag / A. Kunin

### **Traditional and Complementary Medicine**

Chairmen: P. Roberti di Sarsina, Italy / W. Wang, China

### **Clinical Nutrition and Health Psychology**

Chairmen: G. Trovato, Italy / N. Shapira, Israel

### **Sport and Physical Activity**

Chairmen: R. Bubnov, Ukraine

### **Translational Medicine**

Chairmen: A. Chioti, Luxembourg / M. Paltsev, Russia

### **Information Communication Technology**

Chairmen: H.U. Lemke, Germany / M. Legg, Australia

### **Innovative Technological Platforms**

Chairmen: K. Krapfenbauer, Austria / X. Zhan, China

### **Pharmacogenetics**

Chairmen: G. Grech, Malta / R. Danesi, Italy

### **Laboratory Medicine**

Chairmen: M. Kapalla, Slovakia / E. Theodorsson, Sweden

### **Biobanking and Biopreservation**

Chairmen: J. Kinkorova, Czech Republic

### **Biomarkers**

Chairmen: S. Hagan, UK / B.C. Yoo, South Korea

### **Medical Chemistry**

Chairmen: J. Coelho, Portugal

### **Fashion, Design and Health**

Chairmen: A. Kent, UK

### **Business Models in Healthcare Research and Innovation**

Chairmen: F. Heemskerk, Belgium

### **Education**

Chairmen: O. Topolcan, Czech Republic

### ***Junior Researchers***
